

# T Terres de Guennec

Vignoble familial

It is in the heart of the Bordeaux vineyards, in the small village of Auriolles, near the highest point of the Gironde: the Butte de Launay that we have decided to seal our Life Project. Our shared passion for vines and wine and our family experiences led us to take over the Castenet vineyard in 2010. This 50 ha property is located on a land from which we originate and whose values we know.

We have renamed it: "Terres de Guennec"

Château Valade comes from the vineyard of the Hoffman family that we exploit.

Mylène and Guillaume Guennec

The family vineyard  
"Terres de Guennec" is certified High  
Environmental Value (level 3)

## CHÂTEAU VALADE AOC BORDEAUX 2020

### Vineyard

Age of vines : 20 years old

Dominant soil : Clayey limestone

### Cultivation

- Controlled grass cover 1 row out of 2 rows are plowed
- Manual depamprage
- Manual trellising
- Mechanical leaf removal
- Phytosanitary treatments with an economic and environmental approach: reduction of doses at the start of the season (¼ dose), then half doses (or ¾ doses in case of high risk of disease)

### Vinification

- Control of maturity by tasting and analysis
- Mechanical harvest, at night if necessary to keep the temperature cool.
- Cold skin maceration (8 days)
- Alcoholic fermentation
- Malolactic fermentation
- Filtration
- Aging in stainless steel vats

### Tasting

With a beautiful garnet color, this Bordeaux from Château Valade has aromas of ripe red fruits which give it a greedy side. On the palate, an impression of roundness appears thanks to pretty tannins with fine and fresh grains. The finish is round, ample and velvety with intense fruit. It will be appreciated at 17-18 ° C on terrines, with white and red meats, and soft cheeses.

### Awards

Gold Medal Concours de Bordeaux Vins d'Aquitaine 2022

Selection in the Guide Hachette des Vins 2023

appreciation : ★

20 % Cabernet Sauvignon

80 % Merlot
